“ I want the family of Uncle Markely to know you have my deepest sympathy. I have enjoyed spending time with him just sitting and talking about the history of his family. He was a very interesting man. He was a good husband to Agnes and I know you , his children, will miss him so much. He was a Christian man as everyone knows. That someday will come when we will meet him in heaven. God Bless you all.##imported-begin##Melanie Edwards##imported-end##

“ Danny, Panny, Melissa Kevin & Family,  
I am sorry for the loss of your dad and granddad. He was a good person, and there are not many of them left in the world. I remember going up there when we were little and them being so nice to me. At least you have the comfort of knowing that he is happy in his heavenly home with your mom and grandmom. And you have the memories to keep you going.  
I Love You All,
