“ *I first met Marks at a garage sale and we got to chatting. For years after, every so often I would see Marks at a yard sale so we had that in common. He was such a pleasant man to speak with and I remember him introducing me to one of his daughters. Sadly, there aren't too many yard yards sales these days and I know I won't be seeing Marks. My sincere condolences to his family on the loss of a dear man.*

“ *Edna, Kathy, & Donna,
Your Dad was a very large part of my life; from childhood, college, marriage, and children who loved him very much, also. As we grieve our loss, I believe truly that my 'second Dad'" which he was like, is asking us to hold his memories close, but to know his soul is at eternal peace and life in Heaven!*
