“ *Grandma,
When I was told on February 23, 2021 that you were expected to only have a few more months. I was just broken, and just knew that I had to see you ONE more time. I was planning to come see you for my spring break. 10 days later on March 3, 2021 I got the call that you have passed on. I was devastated, I did try to make sure that I called you everyday once I got off of work to call to hear your voice and you told me that you were happy to hear mine. Grandma I will ALWAYS remember and cherish the times that you and Grandpa came to visit us here in Florida. And the times that you guys both brought the BIGGEST BRIGHTEST smiles to my face and the family. I have ALOT TO CHERISH AND REMEMBER. I have LOTS of memories for sure. Grandma you will definitely be missed. I LOVE YOU* 💜
