“ Marlene's warm smile would light up a room. Always loved talking with her in The Valley. When I look at the creek I will always see her sitting in her favorite spot on the rock with her beautiful, warm smile.

Steve, you are in David and my thoughts and prayers during this time. Virtual hugs with love to you and the family.

“ Steve, I was so shocked to learn of Marlene’s passing. You both looked so good when I saw you at Laurel Valley 2 weeks ago. Feel free to call me if and when you would like to talk because our hearts are united in such a great loss. From personal experience I can tell you it may be difficult to pray for a long while, but you will find that God is faithful after all. You are all in my prayers.

“ To The Morgan Family : I am sorry to hear about Marlene. She was so kind and gentle. I knew her from her and Cool and Ruby coming in to get their glasses adjusted because one of the grandchildren hugged them and knocked them a little. Marlene and I would put funny glasses on her mother and we would giggle. Marlene had a radiance around her when she talked about her family that she loved very much. May you feel Gods mercy, love and peace during this difficult time.  
Sincerely,
