“ Luther and I remember Marsha from Camp Greenville. For so many years! And her love of Camp was infectious. Her longtime friendship with Willa was such a sweet blessing to behold. Chris, watching you enjoy Camp was such a delight! Your Mom also loved the Marchants well, and we are so blessed to have known her. She also loved Camp so much that she brought Dennis after they married! What fun times we had. Our lives will be forever enriched because of her friendship. She will be deeply missed. Sherri, for all the Marchants.

“ All the way back to childhood I remember Aunt Marsha (really, she's my Mother's cousin!) as full of life, beautiful, and a delight to be around. We never lived close enough to see each other very often...weddings & funerals, mostly, until the last 8 or so years. Gosh, what a reunion she's having with Uncle Kirby and aunt Erlene, Aunt Harriette, Mom & Pop, Aunt Claudia, and my own parents...and Aunt Lucille! Enjoy life with Jesus, Marsha...no more worries.

“ *What a comfort to know that Marsha has walked into the open arms of Jesus and is free of sickness and pain in her eternal home. Praying comfort and the peace that passes all understanding for all of her family in this time of great sadness. Marsha touched many lives, and she will be missed by all who knew her caring heart, and that includes me.*

May God's faithful presence be obvious to you as you treasure the memories that will live in your hearts always. With Love, Cheryl Sealey

“ *My 92 year old mom, Marian Pittman, of Marion, SC, asked that I convey her condolences. She and the members of Marion UMC have only the fondest memories of Dennis and Marsha. She reminded me of an evening when Marsha helped her get my dad to the car and was so kind. He had Parkinson's and had had a spell. Peace and Comfort for all of those who grieve for her. Sincerely, Marsha White*

“ *What fun I had with Marsha at the PEO garage sale. She usually sat at the pricing table and helped direct us to move the items to their respective tables. I will miss her*
