“ Mott is more than my aunt, she has always been there for me when no one else was. Bo and Suzan are not my cousins they are my brother and sister. This is because that is what Mott wanted her family to be like. She will be greatly missed by me. I know she is in a great place and at peace. I thank our father in heaven for giving me a Aunt like Mott.

“ The heart remembers most what it has loved best. May those
memories comfort you and bring you peace. Although our loves
ones leave life as we know it, in our memory, the love we know will
always carry on. Our greatest sympathy. The day is near when all
