“ Should you receive an unfinished post, this is the remainder.
Somehow I lost the screen and couldn't retrieve the original.

My name is Geri Woodall Martin. I graduated Blue Ridge High School in 1960, with the dreaded task of valedictorian speech. “Miss Barnett” was a godsend in helping me with a speech that fit the times and tone of graduation in those days. She was my English teacher, and was a constant counselor and encourager throughout the time I was in her class. She is a teacher I remember with fond memories.

May God's comfort and strength sustain you in your loss.

“ I taught in the room next door to Martha for several years at Hertford Co. High in Ahoskie, NC. She was a devoted and excellent teacher. I did learn teaching methods and loads of information from her. May you be blessed with fond memories of someone who put others first and had a life well lived.

“ Dearest Reba & Dacas Family,
We here at NCDOT Kinston Construction
Office send our deepest sympathies in
the absence of Ms. Martha. I will not say lost
because what is lost can't be found
and from what I understand Ms. Martha was truly a child of God and
is in the
presence of her Lord and Savior.

We pray for peace and comfort to each of you and a closer
relationship with Christ Jesus.
