“ One of the best memories I have of grandma is most every Sunday morning us grandkids going with her to church when we were little. Even though I wasn't saved yet I had such a peace on those days with her and Jesus!

Sherry her sister was precious and she was always there for her and her parents. I later was born again at 9 years old and my life was forever changed thank You Jesus!!! Very thankful for her love to Christ which flowed out to the ones around her! Tell her I love her Jesus and will see her again on that day you have appointed. Love you Jesus! Thank you for Your love and Peace that surpasses all understanding.
