“ Reggie, I'm sorry about Aunt Martha. She was such a special lady-kind, caring, and loving. I regret that I didn't get to see her in recent years. I wish I could have made it to the funeral, but my ALS really limits my travel. You're in my heart and Martha will always be remembered fondly. Her kind, soft spoken voice always made me feel at ease. When I think of her, it will always be with love and admiration because throughout my life, she is someone who made me feel good-just by being nearby. I mourn her passing, but celebrate her in my memories. I love you cousin and I'm sorry.
