“ I have fond memories of Martha - riding to work together, both of us working at Liberty Life. One Christmas, Martha gave me a beautiful pair of gold snowflake earrings that I have enjoyed down through the years, remembering her each time that I have worn them, and now I will treasure them even more as I remember our times together. Family, I pray you will be comforted by the precious memories I'm sure you have of the sweet, quiet Martha.

“ Martha and I had been friends since day one. She and I were in the nursery together at PHBC. We went to church together and all the way thru our years of school. She was a sweet special person and she will be missed greatly.
