“ Bob, Mona, Hillary and Allyson my thoughts and prayers are with you and your family at this time. I loved Mom Hawk and my fondest memories were her spectacular Thanksgiving meals, especially the one where Stacy learned how to make a broccoli casserole. To this day, Stacy still makes one on Thanksgiving. She always had my favorite collard greens and toffee bars and made sure there was an extra batch just for me. I will never forget her love and devotion to her family and was blessed to have been part of it. ❤️🌸
