“ Aunt Martha your laughter will forever be in my mind when I think of you! One of my favorite memories of you is the time I stayed overnight with you and uncle Jimmy at the lake. You teased me over and over again about re-curling my hair each time I went swimming and saying I talked so much that you could still hear me in your sleep at night! Another memory is the story of you an my mama (Sandra Kirby) going out one night together and her tripping in that hole and falling down then you didn't know where she went while you were talking to her, still makes me laugh so hard to this day!!!! (For those that don't know this story she broke her ankle that night by the way) . . . I will miss you Aunt Martha! Love, Carrie Ann
