“ *Mott was my Mom's (Margie) dear friend. Even though I knew of Mott, I rarely saw her, however I feel as if I knew her very well. My mom often spoke of Mott and how dear of a person and friend she was to her. I heard the deep sorrow in my Mom's voice when she called to tell me that Mott had passed.*

I am very sorry for the families loss and I know she will be missed dearly. All of you have been very good to my mother over the years and I would like to take this opportunity to say thank you Dean and Kim.

May the peace and love that comes only from our Savior, hold you near during this time and in the days ahead.

*Sincerely,
Brenda Maser*

“ Miss Mot, as I always called her, loved the word of God. She was hungry and thirsty for spiritual things. She attended our Monday monrning Bible Study right up until she began to deal with her illness. Often she would tell us in the group what a joy she felt in our coming together to study the Scriptures. Dean and Mot were part of our first study group in the book of Revelation. Mot loved to hear about our Lord' s return for us in the Rapture. Mot Hill will always be one of the people I will remember as a person who blessed my life.

“ Keith and I are so sorry for your loss. Mot was a wonderful person and she loved the Lord so much, I know she's feeling good and celebrating in heaven. Didn't see her as much as Should have but loved her very much and thought and prayed for her everyday. She was a lot of fun, she love to eat, shop and do so many things. We shopped together a good bit and visited a lot. Our families have known her family for many years. She will be missed so much.
