“ I want to tell you, all of you sweet children and grandchildren, that I really thought the service for Martha was wonderful. There were so many people there and so you could see how many lives she touched. Aunt Martha was such a lively, energetic person. She did not meet a stranger, did she? I cannot imagine how you are feeling but I know you do have comfort knowing she is laughing, talking and having such a glorious time now in heaven. I loved seeing the pictures of her with you all. Just wanted to let you know how precious you all are and I know how proud she was of you. Whenever I was around her she would bring out pictures to show with the biggest smile. I wish I could be around you all more because you are so sweet.

Love,  
Debbie (Edna and Wayne's daughter)###imported-begin###Debbie Parrish###imported-end###
