“ *Diane, the Redden Family & Friends:*

I had the privilege of knowing and working with Marty for years in the industrial contracting industry. There was none better! His passing was sudden and unexpected to me, and to all those whom I have spoken to in the past few days.

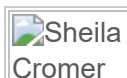

Marty not only had a strong understanding of his craft, but he clearly worked as a "company" man and knew what had to be done to be successful. He was that.

The two of us talked weekly and jointly pursued work opportunities together for sometime. He worked at all levels and was highly respected in his field.

There is so much more on a personal level, but this is actually becoming very difficult for me to write, so I will simply close by saying that Marty was my friend!

God bless you Marty....

“ Dianne and family, I'm so sorry to hear about Marty's passing. Our families had some great times back in the day. What a privilege to have had Marty as a friend. Never met anyone more willing and capable of helping others than him. The man just had that "it" factor when it came to doing things for others. He did a lot for me and my family. And, yes, he could dang sure cook! Regretfully, I won't be in town Saturday but all of you will be in my thoughts and prayers both Saturday and the days to come. Love, Richard King

“ I will always remember his beautiful voice which I could hear even though he wasn't in the choir while we were there. Everything he cooked was always delicious. Just a very sweet man with a contagious smile!!
