Wonderful memories of you with Charles - you were such a perfect couple - all your adventures, activities - the way you would tease and interact with each other - so full of life. Most pleased you found each other and had those years together. We love and miss you - pleased you are reunited with your beloved Charles.

So sorry to hear of the passing of Jeanne. We knew each other as neighbors as I would do some work in sewing for her occasionally. She will be missed. I know she grieved the loss of Charles a few months ago.
