“ *Marvin was like a second father to me while I was in college at Furman and we stayed friends all this time. I heard from him a few times a year, most recently at Easter. I will miss his talks, advice, big heart and laughter. Regards, Barbara Emener Karasek*

Marvin was a big part of our lives when Bradley was little. He was very kind, generous, and supportive to both of us. We will never forget all the great times we shared with Pop and Grandma Pat. Our thoughts are with the entire family.
