“ *Ruth, So Sad... We had no idea that Gene was at Mission since December. He was so lucky to have you and your large family. Gene always liked to have fun...golfing, chatting, knowing lots of people. A combination of shyness and outgoingness that was unique, coupled with a twinkle and a smile. We will miss him. May God bless him and your family and provide you with a blessed life with those you and Gene loved so much. Donna and Patrick##imported-begin##Donna and Patrick Cator##imported-end##*

“ Dear Ruth, Terry, Pam, Chris and families,

My heart and prayers have been with all of you during this very difficult time. The love and closeness of your family is certainly a tribute to Gene, and will now and always be a comfort to each of you.

I know you have wonderful memories to cherish and share to keep Gene close to your hearts and minds forever. I feel very blessed to have had the chance to meet him and get to know all of you.

May the comfort of knowing he will no longer endure pain or suffering help all of you find peace until you meet again.

My prayers remain with all of you.
