“ It was my great pleasure for you to bless my life with your presence Mary. Our times together as co-workers at CreekPointe Computers couldn't have been more enjoyable as you passed on to me your marketing knowledge and that always friendly smile. Our talks as we walked the trails and hikes into the mountains were always refreshing and even challenging at times. You shared so much with me and most of all always believed in me and gave my life a goal and purpose to pursue. You never gave up on yourself, your family, your friends and especially Father God. He has received your spirit and soul into the family of eternal heaven. I will never forget you my dear friend and will listen to our stories together each time I walk those mountain trails you loved so much. All my love and forever memory of your wonderful time on God's good earth.
With sincere love,
Grady A. Brown, Jr.
