“ We are so saddened to hear of the loss of Aunt Mary Anne so soon after the loss of our beloved mother and her sister, Georgia Dearybury on March 13th. We feel blessed to have had her attend Georgia's funeral & to have loved on her one last time. We pray for continued comfort for our family and Mary Anne's as we mourn.

“ I just did Mary Ann's hair last week! Every time I see her my heart feels so full! She was an angel on earth! Always made my days better! We were just talking about how next time I would just come to her house and do her hair so she she didn't have to come out and we could hang out after! I hate I won't get to do that but she is so happy now!
I know her hair is thick and beautiful now! And she is with her Harold!
I love you Mary Ann!

I worked with Harold Boiter at the airport and got to know Mary Anne. She was a jewel. I also invited them to attend Riverside Baptist Church and they became faithful members. I was so blessed to know both of them. I will be praying for the family.

“ I met my friend Mary Anne Boiter at a Praise Cathedral Christmas program several years ago. I had moved seats and rows a couple of times before finding the perfect seat and sitting right next to her. She and I were able to talk a little before the program and share our excitement of being able to watch the program we were about to see. Once the program began she and I both had tears of joy watching the beauty of the program and just found ourselves holding hands amazed at the wonderful music and our awe of the Glorious Angels watching over Joseph, Mary and baby Jesus. When the program ended, she shared with me how hard it was for her to be without her husband and that she had lost a son. We cried together and promised to stay in touch. Well as time went on I didn't see her at church again since we went to different services. But Pastor Rick Wofford would visit me at work and he always knew I needed an update on my friend Mary Anne Boiter. He always let me know how she was doing and promised to tell her I asked about her. A couple years later, I was at another Christmas program and was searching everywhere for my friend. And knowing how good our God is to us, we ran right into each other in the front lobby. We sat together again, held hands and enjoyed another wonderful Christmas program. She was a precious friend and as sweet of a lady as I've ever known. I will always think of her with such fondness and I'll always feel her presence in my heart at our Christmas programs. God Bless her.

“ Loved time with my neighbor!! We oft had our coffee break times and I loved taking her hot buttered cornbread and hot pound cake! We shared a lot of joy and our visits often ended in prayer! I loved her so and will truly miss her love!! But one day sweet friend we will be together again!!! Heaven gets sweeter everyday!!! Until then!!!

I was a Sunday School classmate with Mary Anne for a number of years at Riverside Baptist Church. We had a wonderful friendship and made many wonderful memories which I treasure. My sympathy is with you, the family she loved so much, as you work through the sorrow I know you are feeling today.
