“ Allison, I was so sorry to hear of the passing of your dear mother yesterday. Though your heart is sad because of this great loss, you can also rejoice that she is no longer in a body filled with pain and suffering, but is in the presence of God.

Mot always thought so very highly of her and was thrilled when you brought her to his 70th birthday party! He showed the photo of the two of them to many people and bragged that they had started in elementary school together and then graduated from high school together. My thoughts and prayers are with you at this time.

I have been here 10 years as development director and have always heard such wonderful things about Mary and her dedication during our early years. She contributed greatly to the success of our program today. Please tell your entire family that we are thinking about all of you. Salli Alexander###imported-begin##Salli Alexander###imported-end##
