“ Louise was such a comfort to me and Jim when we stayed with her and chuckie and karen, during the summer. Her love and kindness sure made a dufference in my life. I always visited her when ever I came to town, and her and Arnold helped me out a couple of times when I needed help.

“ Karen and Chuck, I am so sorry to hear of your Mom's death. I loved Louise, she was a wonderful friend. She loved both of you. The last time I talked to her, she talked with so much love for both of you and her Grandchildren. I know you will miss her but she is with the Lord she loved and your Dad. I will be praying for you. Hold onto the sweet memories, death cannot take them away.
Love and prayer,
Mary Susan

“ Reading this obituary brought back so many memories although I never knew Louise and Arnold, I worked with Mattie Dill at Norris Mfg. Co. for several years (about 45 years ago). We sat side by side in the collar department and she constantly told me stories of her children and grandchildren. I felt I knew them, though I never met them. You children had wonderful parents and grandparents so continue in the way you were raised and keep family traditions and faith in God. They would be proud. God bless each of you as you go through this difficult time.
