“ Jackie  
I know this is a difficult time for all of you. You and the family are in my prayers. Your mom was a great lady and she shared a wonderful life with all you. This morning you told me she went to heaven on her birthday and you knew that made her happy. I am sure she is beside your dad right now looking at all of you and seeing what a beautiful family they made together.

I am so sorry for your loss. If you need me for anything, I am just a call away.

“ Jackie,

*From what you have shared with me about your Mom, I know that she was a great woman of faith. She did an excellent job in raising you. The days ahead will not be easy, but God will give you the strength and comfort to keep you moving ahead. Hold onto all the memories that you all have shared, family trips to the lake and to the beach, even the simple times where she patiently taught you how to sew and crochet. She will continue to live thru you.*

*I am so sorry for your loss and am praying for you and your family. I am here for you if you need me.*
