“ Robin, Amy, Joshua, Jesse, Grace Micah, Naomi, Nathaniel and Hosanna; I am saddened by Aunt Mary’s death, however, as we have been talking about, we know where she is and she’s no longer in pain. She’s with her Savior. I have so many fond memories with your dad and her always laughing, enjoying family fellowship, eating, all the birthdays, holidays, births, deaths, the good times, along with the sad, our family always is going to be there for each other. From the pranks, the silliness, the famous coffee cup, the thoughtful gifts, the love, this is what family is. We may not see each other often enough, the original ones are becoming fewer, however, we have a large family. The core of The Ashmore Family instilled upon us the values and importance of family bonds. I hope we can bring the new generations together and tell the story and heritage of our roots and spark the power of the family and grow the relationships again. “And people will come from all over the world—from east and west, north and south—to take their places in the Kingdom of God.” Luke 13:29 NLT. We are His people. We love you Robin and your family. We will continue praying for you and are here for you. “ Robin, Amy and family, we are so sorry to hear of the loss of Mrs. Floyd. Mrs. Floyd was a special person. Robin, I can remember going to your house and your mom (along with your dad) would be laughing and pranking us teenage guys. She definitely was a sweet and caring woman and was "one of a kind". I've told stories to my kids of the funny things your parents would do, and most of all they were a great example of a Godly Christian marriage for us young guys to see. I have fond memories of Mrs. Floyd and when I think of her I smile. I know you guys will miss her. We will be praying for your family.

Love,

Steve, Deana, Bethany, Breanne and Blake Nelson
