“ MK was a wonderful woman - strong, courageous, smart, talented, and an incredible role model to me. I was blessed to have been her student and to have known her as an adult. I hope her family will find comfort in the many wonderful memories we all have of her. You are in my thoughts and prayers.

“ *M.K. was - still is, now that I think of it - an inspiring person - charming and gentle in her persona, but with a soul and actions fiercely advancing the rights of people too often relegated to the sidelines of life, especially women and the LGBTQ community - and she was a proud, active Democrat. All those speak to her loving, caring heart and sharing spirit. I'm indeed fortunate to have shared a long friendship with her. Not many people leave such a positive imprint on the world as has M. K. Smith.*

“ *Dear Friends and Family of M.K. Smith, you are in our thoughts and prayers. I know that M.K. will be greatly missed. She taught school and was a dear friend of my parents, the Late Rev. George J. Mitchell and Ruth Ellen Bates Mitchell. M.K. always had a beautiful smile and was loved by all who knew her. Lean on Jesus. He knows each situation and each need. May God provide mercy, peace, grace, discernment and your needs for each day and challenge ahead. If u do not know Jesus as your Lord and Savior, don't wait until it is too late...Love and prayers, Tonya Sabrina Mitchell and husband, Brian Lee Pace*
