“ Oscar, I was so shocked when Larry showed me Louise's picture in the obituary! She was my very best friend when we were young growing up in startex, when my dad used to pastor Startex Wesleyan. Over the years after leaving Startex their family visited us when we moved out of town, because we got so attached to each other. My mom & dad had gotten close to Everette & Ellen like family! We would meet at Greer camp for camp meeting! Everette performed Larry & my wedding! So sorry, Oscar, for your loss & hope that you & your family can find comfort in knowing she is with God & not suffering, & walking the streets of Gold with her Mom & Dad. My memories will last forever ! I just wish I could have been in touch with you all more often. Last time I saw you all was in the Corral restaurant. I only regret that we have drifted away from each other as age crept up on us, & health problems made it harder to visit like we should. But time won't wait on us. Larry sends his condolence to you & the family!

“ *Dear Oscar,  
My heart broke when I saw this in the paper this morning—You don't know how many times I've thought about y'all and wished I could find you— IThe last time I saw Louise was when I came to visit when you were living on the Reidville Rd—I don't know how we lost touch, but I will forever regret not keeping in touch— She was probably the best friend I ever had, and I loved her dearly—I've thought about her so many times—Ijust didn't know how to get in touch with y'all—I was glad to see , with all the grands and great-grands, that she surely had full and happy life—I am happy for all the blessings you have had over the years—Y'all were very special to me because Louise was very special to me— She was a true friend—She was sweet, good, and sometimes, so funny!, We had some really good times in school, and she made it bearable when I thought I'd never get through it—So many memories came back this morning, and this is long to be put in here, but I don't know how to get in touch with you, so I will go now, but I just wanted you to know that I love y'all as much as I ever did and that will never change— I'm so glad you had each other all these years—She sure was crazy about you!., Thanks for letting me go on and on—I hope all goes well with you and your family—*

*With love,
