“*I just wanted to personally send my condolences on the passing of Mary Jane Saturday. I know she struggled with her cancer especially this last year. My mother was recently diagnosed with brain cancer, so I can relate with the struggle. Jane worked hard to support Womack Machine Supply, and I had many pleasant exchanges with her over the course of my time here and at Catey Controls here in Montana. Please pass along my heartfelt thoughts to your family and all of her friends.*

*I send my kindest thoughts*
