“ *This beautiful lady gave me a firm foundation as a church musician, teaching me pedal work and techniques for leading effective congregational worship. Her influence over my life journey continues today, and I'm most grateful for her generosity and friendship! - Cecil Rigby*

“ *I am very sorry to hear of Lib's passing. I knew her when I was a 13-16 year old teenager. She lived across the street from us on Briarcliff in the 50's and she let me drive her Jeepster convertible. What fun!*

I really liked Lib and thought a lot of her. I remember her as so calm and unflappable....a nice lady.

Over the years, I could not find her in the phone book or on the internet. I lost touch and assumed she had moved away. I'm sure Todd and Dick and others will miss her.##imported-begin##Pat Phillips##imported-end##
