“ I have so many fond memories of "Shorty" Shirley and I use to tease about having a boyfriend. Your little sister and aggravating best friend were always messign with Shorty. When the Godfreys lived next door to us I was either at their house or Shirley at mine. Shorty was never mean to us and just took our teasing in stride. My mom and dad loved the family as much as I did. Prayers to the family for comfort.##imported-begin##Sherry Davis Hawkins##imported-end##
