“ Lee and I were so saddened to hear of the sudden death of Lynn. When Lynn was only a baby, Willie and I were visiting Grandmother Bridges, Lila & Betty, and I remember how much I enjoyed rocking Lynn to sleep. You have our heartfelt sympathy and you continue to be in our thoughts and prayers. We love you.

“ Tracy, Kay and extended family, I am so sadden to learn of Lynn's sudden death. I can remember her from a baby coming to Whitmire and on through the years and the summer we all went to Florida on vacation and grandmother too. I last saw her at Aunt Evie's visitation, she was so special to us. I'm sorry that I can't make it to Greer today, but will hold you in my thoughts and prayers, we love you. “ Dear Tracy: I'm so very sorry for your loss. We were just talking on the phone about how wonderful it is to have your Mother in your life. Lynn was such a delightful person and I loved having the opportunity to get to know her. I will so miss her as will many residents in the Bradford community. My thoughts and prayers are with you and your family.

May God wrap his arms around you and give you strength through the days ahead. Carol Dixon##imported-begin##Carol Dixon##imported-end##
