Rebecca, Betty & Charles, It saddened our hearts to hear about Matthew. He was a good friend to everyone and he will be missed. When I think about Matthew I remember the elementary school years and the ten years the boys played baseball together. Our families spent five out of seven days together at ball practice and games. I remember when Kelly passed away during that time my heart went out to the children because I lost my parents at a young age. I remember when Steve passed away. My heart goes out to Rebecca. May God give you all love, peace and comfort at this difficult time. I love you all. Love & Prayers
