“ *Matthew, you were the closest person to me. A dear friend, and you always found the best in me. We were friends since we met in early 2023, and our bond never broke since. To this day I miss you, and I hope you're watching over us from God's glorious kingdom, awaiting our arrival. I remember you always trying to get us motivated and inspired to help us achieve our dreams, and you told me words I'll never forget "Hard work is the only way to achieve any of your goals", thanks to that statement, it got me through hardships, and roadblocks in my life. Thank you, dear friend.*

“ Hello, you may not know me but I was a close online friend of Matthew. I was distraught when I heard the news. At one point he was like a brother to me and I'd like to share some memories of him.

He was always pushing me to do better as a person. He always stayed optimistic and positive about things, no matter the circumstance. Thank you for being there for me Matthew, you really helped me through some tough times.

“ Rybinski family, I'm sorry to hear of the loss of your sons. I'm holding each of you up in my prayers and praying God will comfort each of you in the days ahead. My heart is broken, knowing the pain you are feeling. I lost my second oldest son of four, in 2019. The pain is still raw, yet I find peace and comfort knowing he is with our Lord and Savior, and that I will see him again.

“ To each of the Rybinski family members: We are sorry to say we didn't know your handsome sons but we know the loss of a son. We lost our 16.5 year old son in 1991. He was a beautiful blonde headed boy with blue eyes who loved the Lord with all of his heart. He was very open about his relationship with Jesus. We are hurting for you and wanted to let you know that we are holding you up in our prayers. Jesus is your only answer to bring you through all of the days to come. After all of the green beans, potato salad and chicken have been eaten and you have cleaned out your fridge then comes the true loneliness in your heart for the loss of your two boys. We just wanted you to know we truly do know how you feel. In no way will I try to tell you that it will be easy for it will not. But I do promise you that as the time goes by it will start getting easier. Please hold onto each other and to the Lord Jesus Christ. He will hold you, each one of you, for as long as you need to be carried. Those sweet boys are with the Lord. Now it is up to each of you to make sure that your aim in life is to reach Heaven to be with them. Bless each one of you. Stovall Family, West Union, SC
