Tribute Wall

“ *Grandma will always be dearly loved and missed. She was my best friend and I knew that whenever I needed to talk, I could always call her. She was the kindest and most understanding person that I knew. We may have lost our matriarch, but heaven gained an angel and she is looking over us and smiling because she finally feels good and she's with the ones that she loved and lost years ago.*###imported-begin###Brandi Watson Kichler###imported-end##

“ *Kaye will be very very missed by me and my family. I told my mother this morning that Kaye was like a second mother to me. Kaye and Reuben have always been there for us so much and have been there whenever we needed them. And we would always be there for them when they needed us to help in anyway we could. You could not ask to have any better neighbors. I loved Kaye very much and will miss her dearly. I am so glad I was able to go see her in the hospital yesterday. I hope her children and grandchildren know what an inspiration she has been to others around her and how much she was loved. I will be praying for all of you during this time of your loss.
