“ *To the Family of Maudie Mathis
Mother told me your Mother was real sick and was in the hospital.
She called me and told me she had passed away. Your Mother and
Daddy are / were good people. I remember when I was little, we
used to go to their house. I thought that was a special thing to go
visit somebody at their house. I found out that they lived just like we
did. You learn to love neans and taters.
I will always remember them. My prayers are with you and your
family.##imported-begin##Sandra Painter Dean##imported-end##*

“ *Mama we are really going to miss you! The people in this world that never had the chance to know you missed out on a great thing. You are one of the most special people that I have ever met, and I can only hope that I will be 1/2 the person that you were here on Earth. I know you are happy to be with your family and Jesus Christ now, and I can't imagine what a celebration it was. We know that you had a great Christmas this year and many more to celebrate in your new home! I love you mama! You were like a grandmother to me, and I will see you again some day. Look over us and protect us...many kisses! I know you are going to be a wonderful angel in heaven!!!!##imported-begin##Shawn##imported-end##*
