“ I was blessed to spend the last several years to be a part of Maureen's life. I got to know her pretty well. We had a lot in common. We both had been in the same type of work in the past and we both enjoyed our crafts. She loved to dance and she loved her Netflix. Mr. Church will miss her. Most of all Maureen's love for her family was evident. She always spoke with so much love in heart for her daughters and her son and her precious grandchildren. Rumor has it that she prayed with her grandchildren before they washed dishes. Maureen's love for God was obvious in every way. No matter how tough things got for her, she never lost her faith. She was a very inspiring woman. There is no doubt she is dancing in heaven now. Until I see you again, Mrs. Maureen Denton. Thank you for allowing me to be part of your journey in life.

“ *Allen:*

One thing sticks in my mind as I think of you and Maureen. You almost always would refer to her as “my dear wife.” That was always a blessing to me. And as our brother Dan said, you have been a wonderful example to us of a devoted, loving care giver. May the grace of the Lord Jesus be your strength.

“Maureen and I were cousins. We were very close in age. Only a month separated us.
She lived in Greenville, but my family moved to Michigan when we were just three years old.
We came back every summer to visit. I almost always stayed with Maureen, Aunt Rose, Uncle Lloyd, and Lloyd Jr. (when he was home).
As teenagers, we were pretty close. One summer, my parents left my sister and I in Greenville for the summer. I stayed with Maureen all summer! We had some great times and great adventures.
Another summer when we were there, my parents took us to the beach and of course, Maureen was invited to come along! Carol, my sister could drive by then and the three of us girls had a wonderful time, needless to say.
I have such great memories of those times. Maureen will live on in my heart forever.
It's been years since we've been in touch, but I have never lost my love for her💕.
My heart goes out to the family.

“Allen, I am sure you and Maureen had many good years together. You have been a model husband and care giver. May the LORD surround you with His lovingkindness and encourage you in His ways and wisdom as you mourn the loss of your wife.
