“ I have great memories of my Auntie Maureen. Kind, warm, fun loving and full of life. Although I hadn't seen her for a long time she was always remembered. She will leave a big hole in many peoples lives. Love to all. Ian Jackson (her brother Don's son)

“ *There are so many memories, that I can't think of one in particular to share. Maureen was a mom to me and grandma to my children all of their lives. She was loving and giving and not one of my grandbabies went without a beautiful cap and sweater that she made with her hands. She will be so missed by our family..*
