“ *Megan we have grown up together and have made wonderful memories. I am regretful to say that as adults we only got to hang out a few special times but I am thankful for the times we shared together. I never thought something would happen to you and niether did anyone else. I wish now I would have got to know you better but what I did know about you was that you were a very special girl who was out going, fun, and so sweet. Megan I love you and will see you some day. Now I know for sure the good do die young. You'll be forever missed and my heart goes out to your family. I send my condolences. Love, Bailey Hawkins##imported-begin##Bailey Hawkins##imported-end##*
