“Melanie ! I just can't believe you're gone. I always told you that you were a Gift from God. We were more like very close Sisters than friends. You will forever be missed until I see you again in heaven. I believe you were already an Angel before you were born. You blessed so many people with your kindest .We will forever be BFF! I'm going to miss you! I already do. You will forever be in my heart. I love and miss you already. One sweet day I will, see you again. You will always have a precious place in my heart.
