“ Prayers go out to the family. Melissa was one of the sweetest people and we shared some great memories that I cherish forever. She was my race track buddy, and we had a ball at the beach. And even though I didn't talk to her everyday I knew she would be there if I needed a friend. I will miss your positive thoughts and beautiful smile. Love you Melissa.

“ One of my oldest best friends, can't believe you have left me so soon. We were suppose to grow old together but I guess God needed you now. It still just doesn't seem real. We carried our babies together and raised them together (by the way you did a great job). We have so many memories together and i will cherish them forever. You know the night after you passed i got that message from you in a dream. I will watch over your kids I love them as if they were my own, I think that's what you were trying to tell me. I just don't know who I will turn to, to calm me down when I have those days. God blessed me with you, you were a true friend, I will miss you so much but we sure have alot of good memories to cherish!! I LOVE YOU MY BFF!!!
