Melvin and I graduated together in 69. We both had a hard English teacher for the 9th and 12th grade. Both graduated with D's for English, but were as proud as the young girls were their A's. Friends but really rekindled our friendship at the 20th reunion of HS. He and Judy visited us in Alaska and we took them fishing and in a small plane ride to see Alaska. Whenever we visit Greer we always make time to see the Hayney's. RIP brother.
