“ God is the only one who can heal human hearts following the death of a loved one. He does that by soothing words that promise to raise the death in his kingdom. “The hour is coming when all those in the memorial tombs will come out.” (John 5:28) Those are the words of Jesus. Millions remember celebrities for decades after their death. God will surely remember the lowest of the righteous ones. We could have no greater assure than that.##imported-begin##Charles Reams##imported-end##
