“ Mike "the grit" Hastings served with me and Carl Schuff in the USMC  
We came to Greer several times to visit Renee and Shirley. I will always remember the interesting visits. Renee you may not remember me or my Polvo, it was the 60's. John Zazik VMFA 333.

“ I met Mike while we were both in the USMC. I served in Viet-Nam and I thought I would never see him again but we met in Iwakuni, Japan towards the end of our enlistment. He never changed...always funny, always a good Marine and he was much more intelligent than I ever was...I have never forgotten Mike after decades of dealing with life's many challenges. Greer, South Carolina produced one fine Marine! I shall miss him...

“ As children my family always went to Greer to see family at least once a year. I will always cherish the time spent with Aunt Edna, Uncle Bill , Mike and the rest of the family. Even though we haven't seen each other in years we had connected on Facebook. I know Mike is now rejoicing with our Lord and loved ones that have gone on before and I will see him again one day.

“ Knowing Mike for many years at Hoechst-Celanese, he always showed responsibility to his job, but never missed an opportunity to have fun in the work and with others. He was known for practical jokes, but he did it because he liked others. We will miss his big laugh. For the family, very sorry for you loss.

“ I was blessed to have recently visited Mike along with Skip Jones and Wayne Hall. The four of us old classmates had a fun day talking and reminiscing. He was a good friend and classmate. I pray for the family as they deal with his passing but know he is with his God and we were all blessed to have grown-up with him and know him. May God bless this family.
