“ Jodi-

There are no words to express how truly sorry I am for your loss. I recall being in your wedding and helping you secure your veil to your hair before you walked down the aisle to marry Mike (probably because I was the only one tall enough to do it and I had a "bird's eye view") and how happy and calm you were that day. You two were truly meant to be together. God gave you two beautiful girls, the strength to get through difficult times, along with the wisdom to reach out to friends and family when you need a shoulder to lean on.

The only words that come to mind right now areI am here for you my sweet friend and I love you very much!

“ R.L. and Stephanie. I know Mom is sitting with Mike, her arm around him. I have so many memories of him as a little boy in that big pool of yours. I remember he was so easy going and laughed a lot.

My heart is with your hearts and I want so desperately to say something that will help but I know there is nothing that can be said.

The world is a sadder place without Mike in it. Del, Jami, Chris and I all want you to know how very, very..very sorry we are. We love you so very much.

May Jehovah grant you peace of mind. May he protect your heart condition and send His Holy Spirit to comfort and strengthen you all at this time.

I love you....

“ Ron, Steph, Jodi and the entire family, there are no words I could utter that would convey the sorrow I feel over your loss of Mike. As I told Ron earlier, Mike was one of the finest young men I ever had the pleasure of working with.

*I am reminded of a quote by the philosopher Cicero,,,,,
"The life given us, by nature is short; but the memory of a life well-spent is eternal."*

All of you will be in my thoughts and prayers as you suffer the terrible loss of Mike.
