Tribute Wall

“ To Michael’s family who I had a great privilege to meet. This was so many years ago and I don’t think you all will remember me, but he was a very special soul for a moment of time here on earth. As long I am here, I will never forget his presence. He had a gentleness and an innocence about him. I remember the day I first met him, there was a light, aura around him

The reason I am being so open is I lost my mom and dad, and I was thinking about Michael today. I was so fortunate to have a chance to get to see him albeit briefly. He had so many talents. He was a great cook and a very patient soul who you could talk to. I was very blessed to have gotten to know him and I hope when I pass on, I will get to see him again. Gabriel
