“ Dear Bishop family,

I am so sorry to hear of the recent loss of your dear loved one. I send my deepest sympathy to the family.

When the enemy death strikes, there are no words to describe the sadness, the pain, the grief that the family experiences. Death makes us feel helpless like a little child because there is nothing that we can do to alter the situation. We may even feel as King David did when his son Absalom died.(2 Samuel 18:33)

At times like this we may wonder where we can turn to for comfort. The Bible can help us in this regard. The scripture at 2 Corinthians 1:3-4 describes God as being the Father of tender mercies and the God of ALL comfort.

The Bible makes it clear that it was not God's original purpose that humans die. We die because of our first parents Adam and Eve. But God has promised to reunite families back together by means of a resurrection.(John 5:28-29)

When Jesus was here on the earth, he showed that he has the power to bring the dead back to life. On one occasion, he resurrected his friend Lazarus.(John 11:11-44). On another occasion, he brought back to life the only son of a widow.(Luke 7:11-17).

These miracles give us confidence that Jesus will soon do the same for our beloved family members. Isn't this good news?

Here are some additional scriptures that I think you will also find comforting: Revelation 21:3-4, Acts 24:15, Isaiah 25:8, Isaiah 26:19

Sincerely,

Sandra##imported-begin##Sandra##imported-end##

“ Mike, Wanda and Lindsay - so sorry to hear of your loss. Brian was such a sweet little fellow and I shall always remember the fun he had sliding in his sock feet on aunt Mae's hardwood floors! He was always the topic of conversation when "Nennie" came to visit - she loved him so much. It's difficult to find words of comfort except to say we love you and our thoughts and prayers are with you. God bless!##imported-begin##Benzie Witt##imported-end##

“ Dear Loved Ones of Brian:

I was one of Brian's teachers at Greer Middle School. I loved Brian. He was the funniest student I ever had the blessing of teaching and was a great kid. I do and will miss him. He was able to always make me smile, every single day. I remember his "country accent" and how he would tell me all sorts of funny stories to make me smile. He certainly brightened up our class room. Thank you for raising such a wonderful son and thanks for sharing dear Brian with me the short time I was blessed to know him.##imported-begin##Robert Wootton##imported-end##
