“ I have so many fond memories of Mike. Back "in the day" at Lockwood Greene (Oak Ridge) we had loads of fun. He would spin us girls around the dance floor like there was nothing to it. I was not one of the "shags" best promoters but Mike would just keep dancing with me anyway.

At this time, Chris and Sandy you were young and gave him so much joy. He would share things and smile in doing so. Stephen, you came along much later, but you gave him just as much joy and pride for being your father.

Mike was a good man with a huge heart and I will miss him so.

“ Although I am very saddened over the loss of this dear friend, I can't help but smile, as I remember a few of the fun things experienced with Mike over the years...

Like his smile and laughter; traveling with his "Everyday People" band to different clubs and parties; the many weekends spent at his and Cathy's house with their small sons, whom I knew as "Sandy & Chris" and, one vivid memory of a 3-couple camping trip one cold, rainy, late October weekend, with its laughter, music and dancing in a pop-up tent.

Unfortunately, life also gives us memories filled with struggles, sad times and heartache, such as now. My heartfelt sympathy goes out to you.

Murray, Michael, Stephen and families, my prayer is that God reveals His loving presence to you and you lean on Him for strength to get through this difficult time.

I hope you are comforted by knowing your dad was dearly loved and will be missed by all who knew him. As with all the people we love, a piece of him lives in our hearts, forever.
