“ Mickey was one of my favorite people... He was known as the Mayor of Plantation Road as he would ride up and down the road on his golf cart, making sure everything was going well... Mickey would check on me frequently, especially after Smiley died and he will always hold a special place in my heart. Every time I drove by his house, he would wave and smile and I knew if I ever needed anything, I could go straight to him. My prayers go out to the family as Donna is such a sweet lady and so is her daughter Kristi. Mickey and Donna have been a friend and neighbor for about 40 years. Please know that the Howell family will miss Mickey so much as he is so special to all of us. Patty, Logan, Tyler, Lucas and Chelsea Howell.

“ I worked for Mr Brown for many years on the farm and around the house. We fought many wars with sweet gum balls, leaves, barbed wire fences, and cows. Not only did I work for him, but he was my friend and a big influence in my life. He looked out for me and my family many many times. I will miss him greatly! -Robert M Craig
