“ *Dear Kathy, my husband Mike went to dialysis with your Mike in Greer and Lyman. He enjoyed talking to him and it made the time go by faster. When Mike got sick he still had a smile and a wave. He fought a courageous battle and now he has won with no pain or sickness. He will be missed*

“ *Mike was a great man and our family was lucky enough to have him as a friend. He always thought of others before himself. He was a second dad to my girls. We had some great times and those memories will forever be cherished. May God place his holy hand upon the family during this time. Know that Mike will always be an angel watching over you in years to come. We love you.
