What a loss. Mike left a legacy of hope in the children, staff and volunteers at the Boys & Girls Clubs in his career. Here in Charlotte I often have adults ask “do you know Mike Foss” and follow that with a story of how he made a difference to them. I had the pleasure of working with Mike over the past 35 years and cherish the words of wisdom and encouragement he gave to me. Mike will be missed and remembered. Our prayers go out to the family in this time of loss.

Our world is a bit sadder with the loss of our friend "The Buzzard" Mike Foss. But I'm sure that heaven is brighter and there heavenly choirs sound richer with his presence. We were blessed to be surround with this man of character when we were growing up in the Boy's Club and SA Community center! Peace be with you Mike and family!

Mike has been someone to look up all of my life. From the age of 6 years old as a member of the Pinellas Park boy's club, "Buzz" was an inspiration, someone to look up to and some you wanted to be like when you grew up. As a member of the staff I work under Mike and John Turner, Jack Young and Keith Britton. All fine men of great character. Thanks for the friendship, guidance and for just being the "Buzzard"! Love to you and your wonderful family!

I just found out Mike Foss had passed away almost a year ago. I had tried to contact him recently on FB but it came up as inactive. Mike was a fine man who made a very good impact on so many boys and girls as well as adults. May he rest in peace.. Charles Gayle Concord, N.C. c.gayle73@yahoo.com
