“ Mike and Kathy, we have been neighbors for nearly 24 years and we could not have ask for better. They have also been the truest of friends. It seems like everytime Ray would be outside, Mike would be also and he would always come riding up on the golf cart to talk. There was not a time if you needed his help that he would say no. “ *I first met Mike when Terry and I got together and he took my son on a tractor ride he treated us like family from the very start he made Tony days. I love Mike just like he was my uncle thank you Mike you will always be in my heart I will miss you blue boy.*

Mike was an amazing Brother in law to me after my husband, Mike's brother passed away. The last thing he always told me when I left his house was if I needed anything to just call him. He was always there for me no matter what problem I had. To starting a lawn mover to driving me all the way to Waynesville to pick up Art Tables. He made the most wonderful breakfast and I will miss your times together him fixing breakfast for me and Kathy while we watched westerns. He was a wonderful father, husband, son, uncle and everyone looked up to him. He will forever be in our hearts and minds.

“ I'm going to miss my dad and best friend. You will never know how many times I have called him to see if he wanted to take a road trip(pick up a classic car). One of the last trips was to OH, 20 hours gives you plenty of time to keep close.
I want to thank all his family and great friends for the love and prayers. We love you all. Michael
